

F-PUW

TRAFFIC SAFETY BOLLARD

Product Features

- **Flexible Protection:** Our Flexible Bollards are perfect for managing traffic and safeguarding your premises, whether it's a busy office or an expansive warehouse.
- **Impact-Resistant:** Crafted from high-quality thermoplastic polyurethane, these bollards withstand vehicle impacts and effortlessly return to their original position.
- **High Visibility:** Featuring high-quality reflective lattice film, strong reflective effect at night, our bollards are easily seen both day and night, enhancing safety for drivers and pedestrians alike.
- **360° Flexibility:** Designed to bend and move freely in all directions upon impact, Flexible Bollards minimise damage to both the post and vehicles.
- **Weatherproof Durability:** These bollards are flexible and thick, sun-proof and corrosion-resistant. Reinforced base, stable pressure-resistant structure, make the base stronger and not easily damaged, resist harsh weather conditions, maintaining their integrity and functionality in all climates.
